Welcome Everyone!

Remember that our next meeting is on Wednesday, August 11 @ Senate Coney Island, 34359 Plymouth Road in Livonia. Meeting starts at 7 p.m., arrive at 6 p.m. if you want to eat.

Recap of July 14th meeting; Topic - Forcing

We had twelve members and two guests in attendance. Our guests were Sean's friend Dave and John Midgley from Tennessee. John is 2nd Vice-President of The Society of American Magicians. It was good to see Dave and Jackie Sanders. Thanks to you for coming.

Don Oesterwind recapped the National International Brotherhood of Magicians convention. 400 hundred magicians participated worldwide on Zoom. WOW! It was quite the event. Thanks, Don!

Karl was first up with a movie prediction of the movie Jaws. He was ably assisted by Dave. It was very clever.

Our President, Dan, demonstrated a change bag and a new use for a duck pan, making a balloon dog appear in it.

Karl was up again with joker force.

John Midgley shared a card force routine.

Johnny New York did a very good version of Professor's Nightmare with some new ideas in handling. Later he performed a terrific card trick with Don. I believe from 2019 LR and also a table force using cards.

Bob did one of his rare performances for us, a number force with a lucky number. When you see him, ask him to show it to you as it was very good. We hope to see more, Bob. Thanks!

Michael did a clever card trick with Don from Woody Argon. I believe it's called the EP principal.

Don concluded with many card forces from Svengali, criss cross, the back slip force etc., until they kicked us out of the restaurant!

Thanks, everyone!
