April 2009

President's Corner

First and foremost I'd like to say that the memorial service for our late member and friend Jerry Hartweg was beautiful. Marvin and Jeff performed the Broken Wand Ceremony which I think the family really appreciated. Something I didn't know was how involved Jerry was with Safe House, where he used his magic to put a smile on the faces of mothers and children who could really use a boost. That's what magic is really all about – taking people's minds off all the painful things in life and transporting them to a place where anything is possible and Hope isn't nearly as elusive. Bravo, Jerry! Bravo!*

Our next meeting is scheduled for April 8th at the Wunderground West magic shop in Garden City. It will start at 7 pm with a Board Meeting beforehand at 6:30. The activity will be performing a trick that was published in either the Linking Ring or MUM. If possible please be able to cite the exact issue the effect came from so other members can refer to it if need be. We will also be taking orders for vests (provided Tony can wrangle up the tailor to bring to the meeting). They will need to be paid for up front, so don't forget your checkbook. The exact cost is yet to be determined, but it'll probably be somewhere around \$60 including material. One of the wildcards is whether or not we can add 'coin' buttons to the front and how much that will add to the cost. *

*Hope you are all having a great month. Look forward to seeing you soon! *Gordon Schott*
